

PUBLIC NOTICE

NOTICE OF PUBLIC HEARING REGARDING THE RENEWAL OF AIR QUALITY PERMIT FOR CHARLOTTE PIPE & FOUNDRY COMPANY, INC.

Charlotte Pipe & Foundry Company, Inc. has applied to Mecklenburg County Air Quality (MCAQ) for the renewal of their existing air quality permit for the facility located at 1335 S. Clarkson Street, Charlotte, NC 28208. In February 2019, MCAQ issued a public notice requesting public comment on its intent to renew the existing permit. Comments and a request for a public hearing were received. Based on the request received by the Director, MCAQ has determined that a public hearing will be held as follows:

Wednesday, May 8, 2019

To begin promptly at 6:00 pm

Mecklenburg County LUESA Offices, 2145 Suttle Avenue, Charlotte, NC 28208, in the 4th floor Pine and Fraser Fir Rooms.

The current air quality permit contains terms authorized under MCAPCO Section 1.5500 - "Title V Procedures." Those terms authorized under the Title V Procedures are being renewed in accordance with MCAPCO Regulation 1.5513 - "Permit Renewal and Expiration."

The draft permit and application review may be viewed online at <http://airquality.mecknc.gov/comment>. Information on the draft permit, the application review, the permit application, and supporting documents are also available for public inspection by appointment during normal business hours at:

Mecklenburg County Air Quality
2145 Suttle Avenue
Charlotte, NC 28208
Phone: 704-336-5430

Interested persons are invited to review these materials and submit written or oral comments at the May 8th public hearing. Persons wishing to present oral comments at the hearing should prepare their presentation to be three minutes or less.

After considering all comments from the hearing and other available information regarding the permit, MCAQ will act on the Charlotte Pipe and Foundry Company, Inc. application.
